

Dora Leigh Salinas – Attorney at Law

Personal Injury

If you have been involved in an accident or have been injured due to the negligence of someone else, Ms. Salinas can help you in dealing with insurance companies and those responsible for your injuries to ensure that you receive fair compensation to take care of your medical bills, lost wages, etc.

In cases where you have been injured, it is never a good idea to let the other party's attorney or insurance agent look out for your best interests.

There are multiple fields under Personal Injury. Here is what we handle:

- Auto Accidents
- Slip and Fall
